

Notification to Industry

Scheduling a Face-to-Face Meeting with the AMPV Team

The AMPV team would like to offer the opportunity for potential prime vendors to meet and provide feedback regarding the AMPV information that has been posted on the AMPV website. To date, the Government has released DRAFT sections of the Request for Proposal (RFP), includes the DRAFT Performance Specifications and summary of the tentative acquisition approach, for industry to review and provide written feedback. The Government will schedule face-to-face meetings with individual potential prime vendors and members of the AMPV team as described below.

These meetings are limited to industry presentations ONLY and is not a question and answer forum. The Government requests interested companies provide constructive feedback on the AMPV information that has been released, to date, in order to assist the Government in refining its requirement; however, companies are given the discretion to present whatever it deems necessary.

Appointments can be scheduled starting January 7, 2013. Appointments are limited to two hours and are being scheduled between 0800-1100 and 1300-1500, Monday through Friday (excluding Federal holidays). To schedule an appointment, please submit a request via the AMPV mailbox:
